**Задание 1. Прочитайте текст и определите жанр.**

A. a fairy tale	B. a novel	C. a mysterious story	D. a humorous story
-----------------	------------	-----------------------	---------------------

When I was ten years old, my family left the countryside and moved to the city. I was very excited because our new house was near a beautiful big park. One day, I decided to go for a walk in the park but I lost my way. I tried to get back but I just went deeper into the park. I looked around me and started calling for help, but no one heard me. I was confused and scared because it was almost dark, so I sat on a bench and began to cry.

Suddenly I heard someone coming. It was a girl my age. «Hi,» she said. «I'm Maria. What's the matter?» I told Maria that I was lost. «Don't worry,» Maria said. «I live near here. I know the park well.» We walked and talked until we were out of the park. Maria said goodbye and left before I could thank her.

When I got home my mum was talking to a policeman. They were both very upset. «Oh, Elizabeth, thank goodness you're OK!» my mum said when she saw me. «I lost my way in the park, Mum, but I'm fine now. I'm so sorry.» I said. «You were lucky, young lady,» the policeman said. «Never play alone in that park, it's too dangerous. Ten years ago, a young girl named Maria Josephson lost her way in that same park and never came back.»

I did not say a word. I wanted to tell them about the girl who helped me but I was afraid they wouldn't believe me. Did a ghost help me? I couldn't sleep that night, or the next. I never saw Maria again and I never went back to the park!
