Задание 1. Прочитайте текст и определите верно (TRUE) или неверно (FALSE) утверждение.

William Shakespeare.

On April 23, 1564 William Shakespeare was born in Stratford - upon - Avon. His mother was the daughter of a farmer. His father was a glove - maker. William attended a grammar school in Stratford and had quite a good education. There he learned to love reading.

While he was a teenager, he married a woman some years older than himself. He had three children: the eldest is the daughter and then twins – a son and another girl. In 1587 William went to work in London leaving his family at home. Some people say that the reason was his love of poetry and theatre.

In London Shakespeare began to write plays and become an important member of a well - known acting company. Most of his plays were performed in the new Globe Theatre built on the bank of the river Thames. In 1613 he stopped writing and went to live in Stratford when he died in 1616. His plays are well - known and still acted not only in England but in the whole world.
